maintenance, asset & DLO

specialist recruiting to the **built environment** and **social housing** sectors

BRC has a dedicated team of Asset Management, Maintenance and Direct Labour Organisation (DLO) recruitment specialists. Working from our regional offices in Manchester, Bristol, Cardiff and Plymouth, the team has considerable national and local market knowledge, unrivalled experience and an extensive network of contacts. Our experienced Senior Consultants provide high calibre candidates to Local Authorities, registered Social Landlords, Charities and associated contractors.

We offer a tailored service, working closely with our clients to ensure they gain maximum benefit from our specialist expertise, quality of thinking and rigorous adherence to strict ethical and professional standards. The thoroughness of our approach leaves nothing to chance and serves to protect both your reputation and ours; all candidates will have been thoroughly assessed so you can be confident they are an excellent fit for the role, and they are always treated with a great deal of care and respect.
